

Milestones

Milestone 1: Discovery and Research, Website Design

- Deliverables:
 - Mood board, or 2-3 screens showing the look and feel
 - ~7 unique pages designed in Figma (including responsive design):
 - Home (1)
 - About us (2)
 - Products (3)
 - Product page (4)
 - Our Services (5)
 - Blog + Article (6)
 - Contact us + Customer support (7)
 - Cookies, 404 Error
 - Design system.
- Website Development

After approval of the design, the pages are developed. I will update regularly on the status of development so you always have a clear insight into the progress;

Milestone 2: Website Development, Testing & Launch

- Deliverables 1:
 - Developed pages in Webflow.
- Deliverables 2:
 - Final website
